

The English Shepherd Club

The Mission of the English Shepherd Club (ESC) is to preserve, support, and promote the English Shepherd breed. The Club is a non-profit, educational organization encouraging good breeding practices for the English Shepherd by providing information and recommendations for prospective owners, current owners, and breeders. Its purpose is to provide a venue where owners and breeders can exchange information and participate in all English Shepherd activities, including but not limited to working stockdog, herding, protection, obedience, agility, tracking, companion dog, flyball, search and rescue, and therapy work.

Membership Application

Note: Full membership privileges, including voting, breeder, and litter listings are available only to persons who have a member application on file with the ESC.
