Hi everyone!

Bad news on the hotel room blocks. I called several hotels and while we can block rooms, none of the hotels offered lower rates on a room block. In fact, the quoted rates were higher than what I found searching online.

That said, if you'd like to book a hotel room, I've found the following:

Morton is a nice little town not too far from Tremont (6-7 miles) and has a pet-friendly Holiday inn express and Days inn.

Pekin is also 6-7 miles from Tremont and has Super 8, Econolodge, and Motel 6 which are all pet friendly.

Rates seem to average around \$60-80 but there are some above and below.
